

Conference on Cryptographic Hardware and Embedded Systems (CHES)

Taipei, Taiwan – September 25-28, 2017

Call for Posters

The annual CHES conference highlights new results in the design and analysis of cryptographic hardware and software implementations. CHES provides a valuable connection between the research and cryptographic engineering communities and attracts participants from industry, academia, and government organizations.

Proposals for a poster presentation at CHES 2017 should be submitted to oscar.reparaz@esat.kuleuven.be.

Submissions on topics of broad interest to the CHES community are welcome and the submission deadline is **August 31, 2017, 23:59 PDT (Extended)**. Poster submissions must provide the following information as a single-page pdf

- Poster title
- Author list, indicating a contact author (with name, affiliation, phone and email address)
- Abstract (up to 500 words)

Receipt of the submission will be acknowledged after the submission deadline. Notification of acceptance will be by **September 7, 2017**. Accepted posters must be displayed in standard A0 format and at least one author for each poster must be available for discussion during the poster session at CHES 2017. For more information please contact **Oscar Reparaz (poster session chair)** at oscar.reparaz@esat.kuleuven.be

Call for Tutorials

The program co-chairs also welcome proposals for half-day tutorials at CHES 2017. The presenter of an accepted proposal will be offered a complimentary registration to CHES 2017 and a fixed stipend towards their travel costs. Please submit your single-page pdf proposal for a tutorial including title, speaker name, speaker affiliation, and abstract by **July 5, 2017, 23:59 PDT** to **Wieland Fischer or Naofumi Homma** at ches2017programchairs@iacr.org.
