

# Conference on Cryptographic Hardware and Embedded Systems

## CHES 2017

Taipei, Taiwan,  
September 25-28, 2017

### Call for Sponsors

CHES is the leading conference on hardware security and the largest international cryptography conference. CHES covers new results in design and analysis of cryptographic hardware and software. CHES conference provides a valuable connection between research and engineering communities.

We believe that it is of great benefit for your company to be associated with the workshop in order to gain the international visibility and recognition your company deserves. **There are multiple ways for being involved with CHES 2017.** Please select one or more sponsorship categories from the list below, or simply contact the workshop co-chairs to discuss additional exciting ways in which you can introduce your company to the audience and contribute to the success of the workshop.

- **Basic Sponsor: \$3,000** – Sponsors will have their logo and URL displayed on the CHES web site and in conference promotional materials. Sponsors will also be able to provide their brochures for inclusion in the workshop participant materials, and receive one free invitation to CHES.
- **Small Exhibitor: \$4,500** – In addition to the Basic Sponsor benefits, we will provide a table (without electrical power) for your company, in a first-come first-serve basis.
- **Gold Sponsor: \$7,500** – You receive Basic Sponsor plus Exhibitor benefits plus your display will be more prominent – specifics can be discussed with the General Chair(s).
- **Platinum Sponsor and Diamond Sponsor:** please contact us if interested. We will prominently display company logo and express acknowledgements during conference introductions. There are additional benefits such as exhibition space with electrical power.
